ANNOUNCEMENT

**No-cost passport enrollment operation for passports not issued
for applications submitted prior to July 01st, 2021.**

The Ambassador Extraordinary and Plenipotentiary of the Republic of Cameroon to the United States of America, H.E. ETOUNDI ESSOMBA, hereby informs the public that the **General Delegation for National Security (GDNS)** has launched a **no-cost** passport enrollment operation in favor of applicants who applied before July 01st, 2021 and whose passports were never produced due to changes in the passport production system.

For this operation, which was set up only for those who have not yet reapplied through the current passport process, the concerned are invited to pre-enroll via the online portal www.passcam.cm. They will be given priority when scheduling their physical enrollment considering the extended waiting times experienced by many. **Please be accurate when entering your full name (surname and given names as recorded on the receipt you previously received) and date of birth.** Note that the payment step will be skipped once your identity has been confirmed via the portal. **The deadline for this important operation is August 30th, 2023.**

Once the online pre-enrollment phase is complete, please send a notification email to the Consular Section at passportappointment@cameroonembassyusa.org. As the subject/title of your email, write "No-cost enrollment complete" along with your full name. In the body of the email, include a phone number where you can be reached and we will contact you as soon as possible regarding the scheduling of your appointment. For any questions or concerns, please contact the Consular Section by email at the above-indicated address also.

While expressing sincere regrets for all inconveniences that this unfortunate situation has caused, the Ambassador counts on the understanding and cooperation of all concerned users. /-
